Discovery Room

The Discovery Room is our day camp program that offers supervised children's activities for children ages 4-12.

The Discovery Room itself is filled with items to keep the children engaged. There are books available on the different sea life, shells, and creatures that can be found on Hilton Head Island. The game sessions, trips to the pool and playground help kids keep fit while they are on vacation. There are also plenty of crafts, board games, toys, blocks, etc. to keep them busy. Children will be able to discover all that the resort has to offer and much more!!
